

Clear and Brilliant Skin Rejuvenation Laser

Simple, Effective, Affordable Proactive Treatments

Keeps your skin looking its youthful best with simple and easy Clear + Brilliant treatments?

What Can Clear + Brilliant Do for You?

If you're battling the effects aging can have on your skin, or trying to address it before the battle even starts, Clear + Brilliant can help. With simple, gentle laser treatments provided by your licensed skincare professional, you can help prevent the visible signs of aging and the overall dulling effects time and the environment can have on your skin.

One 10 to 20-minute Clear + Brilliant session* can leave your skin feeling smoother, younger and give you that "radiant glow" that comes from healthy, youthful skin. Routine treatments deliver lasting results that can keep you looking younger for years to come.

Clear + Brilliant is simple yet effective. An easy treatment to add to your routine, much like the way you plan for a facial or trip to the hair salon.

Clear + Brilliant Perm ea Goes the Extra Step.

With Clear + Brilliant Perm ea, topical skin care products work harder for you. The Perm ea treatment enhances skin permeability, increasing the benefits of topical skin care products immediately after treatment, and giving you results you'll love. In clinical studies, those treated with Clear + Brilliant Perm ea followed by a topical antioxidant serum noted greater uniform tone, boosted radiance and enhanced overall appearance.*

Is Clear + Brilliant Right for You?

Anyone can benefit from Clear + Brilliant treatments. However, if you are seeking a dramatic correction, there are alternative options such as Fraxel® or Thermage® that may be a better fit. But if you don't need much correction, have always taken the basic steps to keep your skin looking its best, and you like the way you look now, Clear + Brilliant can help keep your skin looking its youthful, radiant best.

Indications that Clear + Brilliant may be right for you:

- You already have or plan to begin a skin care regimen to help protect against the natural and environmental effects of aging

- You like the way your skin looks today, and want to keep that fresh, youthful look for years to come
- You have a regular, consistent approach to skincare and are looking to boost your results
- You don't have the time or desire for more invasive procedures like cosmetic surgery or aggressive resurfacing treatments

Treatment Results:

Though results may vary, patients frequently report “younger looking skin” and a “radiant glow” after treatment. Clinical studies highlights include:

- Visibly illuminated skin tone
- Renewed, ultra-soft and smoother texture
- Naturally radiant and glowing skin
- Improved tone, texture and radiance
- Reduction in the appearance of pores
